Hockey all-stars announced

Six Concordia hockey players received conference honors when the OUAA men's conference and QSSF women's conference announced their 1996-'97 all-star teams recently.

From the men's hockey team, rookie **Patrick Groleau** (St. Romauld, Que.) was named to the OUAA East Division second team. Groleau, a five-foot-10, 160-pound centre, led the Stingers in scoring in his first season.

The women's side captured five awards. One of the most prestigious honors went to centre **Sara Matheson** (St. George, N.B.), who was named the QSSF women's hockey Rookie of the Year. Defenceman **Kellie Rae Ryan** (Beaconsfield, Que.) and centre **Cammi Granato** (Downers Grove, Ill.) were named to the conference's first all-star team, while goaltender **Liane Mayer** (Cochrane, Ont.) and left wing **Corinne Swirsky** (Thompson, Man.) took second team honors.

Basketball playoffs set

Two huge basketball games are slated for the Concordia Gymnasium, 7200 Sherbrooke St. W., this week.

The Concordia women's team will host the QSSF championship Saturday at 7 p.m. With their big 85-71 win over the McGill Martlets last Friday, the Stingers clinched first place and the right to host the QSSF championship game. Concordia has a bye, while the Martlets and Laval Rouge et Or play a semifinal game Wednesday night at McGill.

It's the first time since 1984-'85 that the Stingers have won the regular season title. They finished the season with an impressive 16-4 win-loss record.

The Concordia men's team finished the season with a 7-13 record, which was good enough for second place in the QSSF. The Stingers will host the conference semifinal game Thursday at 7 p.m. The McGill Redmen, who finished in third place with a 4-16 record, will be the opponents.

In a preview of the semifinal match up, the Stingers defeated the Redmen 75-72 last Friday night.

The Bishop's Gaiters, who finished first in the conference, enjoy a bye in the first round of the playoffs. The best-of-three final tips off Sunday evening in Lennoxville, Que.
